

## Join MEX !

The **Metropolitan Exchange (MEX)** is a co-working space in Downtown Brooklyn. We are architects, urban designers and planners, industrial and graphic designers, and scholars. Each of us works independently, but we also join forces for larger projects. We host public events such as exhibitions, lectures, and film screenings. **MEX** means collaboration - we'd be happy to have you working with us!

## MEX Space

**MEX** occupies two 6,500 sq lofts with access to a storefront gallery space on first floor. The space is open, well-lit, and provides an ideal mix of private work space and common areas. There is ample storage space, a kitchen, and a lounge. Other amenities include a woodshop, a design library, printers, and a green rooftop for your coffee break. **MEX** is extremely well connected, with nearly every MTA line stopping nearby.

## MEX Prices (incl. use of all utilities)

Shared desk \$200/month  
Full time desk \$400/month  
Two full time desks \$600/month
